We will set up the obstacle course as a group to learn about their layout and the rules. Then we will work in groups of a maximum of 6 riders and ride all the obstacles on the course. There has been an increase of EHV-1 in the United States – we therefore require proof of vaccination (flu/rhino) within 6 months of participation. We recommend that your horse has been vaccinated at least 14 days before the show to achieve immunity. You can show proof via a vet bill or the receipt of vaccine purchase if you administer it yourself.

Stall strip fee: \$50 (you must provide a separate check for this – upon confirmation that you have stripped your stall we will return your check to you).

Please note – no shavings are available – you must bring your own.
